

## 2016-17 School Year Request for Volunteers

Redbud Run Elementary appreciates and depends upon its volunteers. We have many opportunities for adults to help teachers with filing, reading to students, practicing vocabulary words or math facts, preparing instructional materials and bulletin boards, assisting in the library, chaperoning during a field trip, and other school wide projects.

If you or another family member is interested in serving as a volunteer at Redbud Run Elementary, complete the form below. **All volunteers must be submitted for approval to the Frederick County School Board prior to volunteering at the school.** It helps to have all names submitted at the beginning of the school year *(for example, grandmother, grandfather, aunts, uncles, stepparent, mother, and father)*.

Please return this form to your child's teacher. You may submit one form per family, with all family volunteers and students listed on one sheet. Teachers will contact you after the School Board has completed their approval.
